C3P NG Data Service Provider Certification

Appendix A - Certification Examination Checklist

Agreement

By our signature below, we have implemented practices, systems and methods stated in this checklist and acknowledge the right by Ford Motor Company to examine our facility for compliance to this checklist. We also acknowledge that Ford Motor Company has the right to refuse access to Ford data until our environment has met these criteria.

Ford Certification:

- NG CDSP certified.
- NG CDSP conditionally certified with corrective actions required.
- NG CDSP not certified.
